### APR and Australia visit Scouts in Timor Leste

*Dili, Timor-Leste, 21 December 2016* – A high level team from the APR Asia-Pacific Region (APR) of the World Organization of the Scout Movement (WOSM) visited Scouts in Timor Leste. The team comprised of Regional Scout Committee Chairman Paul Parkinson, Regional Director J. Rizal C. Pangilinan and Chief Commissioner of Scouts Australia Chris Bates.

This bilateral meeting of top leaders both from União Nacional dos Escuteiros de Timor-Leste (UNE-TL) and the APR team was to verify the preparations of UNE-TL in its application for WOSM membership. National Commissioners directly involved in the preparation joined the meeting held at the Ministry of Foreign Affairs in Dili.

On the first day meeting, the National Council led by the UNE-TL President Ms Idelta Maria Rodrigues went through the checklist of key areas such as constitution, organization structure, government recognition, membership, and infrastructure.

A meeting with Nobel Peace Prize winner and former President of Timor-Leste and Patron of UNE-TL, Dr. Jose Ramos-Horta, was arranged at his residence in Dili. Dr. Jose Ramos-Horta gave assurance to encourage government leaders, both present and future, to support the application of UNE-TL to WOSM.

"It is important that our colleagues in APR chaired by Mr. Paul Parkinson made this visit to UNE-TL to discuss and verify the membership requirements. We are also grateful for their support in the initial stages. We know that the chance to become WOSM member is high which now depends on UNE-TL leaders to prepare and anticipate the preliminary meeting in February 2017 with the WOSM team", said Idelta Maria Rodriguez.

UNE-TL has been recognized by the government of Timor Leste since its establishment in December 2005. Scouts from Timor Leste participated in many Scouting events around the Asia-Pacific Region as well as in events organized by WOSM.

During its 11 years of existence, UNE-TL gained strong support from the local authorities. This is reflected in the increase of members in many municipalities and regions of Timor Leste.

### **WOSM's Leadership Workshop, Asia-Pacific Region**

Following the positive reactions received for the Leadership In Scouting Workshop held during the Revisiting the Scout Method Workshop (Taiwan, August 2016), the Asia-Pacific Region will host a Leadership event to continue implementing the leadership model of the World Organization of the Scout Movement (WOSM).

We are pleased to announce that Boy Scouts of the Philippines, in collaboration with the Asia-Pacific Support Centre, will host a training workshop in Manilla, from 24 to 26 February 2017.

The workshop aims at exploring three different tracks based on different applications of the Leadership in Scouting model, as described below:

#### Track 1: Youth Programme

It will focus on various existing and imaginative ways of implementing the model in the Youth Programme ( e.g.: as a framework for a national Jamboree or as the basis for a leadership badge).

#### Track 2: Adults in Scouting

It will cover several different ways of using the Leadership in Scouting model applied to the management of adults (e.g., NSOs' Scout leader training scheme; Wood Badge framework; or other adult training system).

#### Track 3: Organisational development

It will examine how the model can be useful for the organizational development of a troop, National Scout Organization (NSO) or Region (e.g., committee election processes; change management; and other aspects of organizational development).

Participants: Adults who hold a role as trainers or/and in the leadership of an NSO.

#### Working language:

As the working language of the seminar is English, NSOs are requested to select participants who can communicate and actively take part in English.
