Rusdi to lead the APR Scout Committee

Announcement of the newly elected Chairman and two Vice Chairmen of the Asia-Pacific Regional Scout Committee has finally come. A historic moment passed when Ahmad Rusdi received the badge of office as Asia-Pacific Regional Scout Committee (APRSC) Chairman from Paul D. Parkinson who will be completing his term during the 26th Asia-Pacific Regional Scout Conference. "This appointment is an honour for Indonesia and Gerakan Pramuka, and I thank the support from all Committee members," he said.

Ahmad Rusdi, who is currently the Ambassador of the Republic of Indonesia to the Kingdom of Thailand, and International Commissioner of Gerakan Pramuka (Indonesia), will be assisted by two Vice Chairmen: Hiroshi Shimada, Scout Association of Japan's International Committee Chairman and Dr. Somboon Bunyas-

iri, immediate past APR Management Sub-Committee Chairman (2015–2018) and National Scout Organisation of Thailand's National Executive Board Member.

They rededicated themselves to the Scout Promise and signed their oath of office with the remaining Committee members: Ahmed Ali Maniku (Scout Association of Maldives), Bhaidas Ishwar Nagarale (The Bharat Scouts and Guides), Chay Hong Leng (Singapore Scout Association), Dr. Ie-Bin Lian (Scouts of China), Dale Corvera (Boy Scouts of the Philippines), Elston Colin Hynd (Scouts Australia), and Mohammad Rafiqul Islam Khan (Bangladesh Scouts).

Consistent with the number of key priority areas under the APR Plan 2018-2021, five Sub-Committees were created, and their respective heads were also announced.

Police General Cedrick G. Train, Chief National Commissioner of the Boy Scouts of the Philippines was named as Chairman of the APR Programme Sub-Committee, and his compatriot BSP's National Treasurer Jimmy Ang was named as Chairman of the APR Financial Management Sub-Committee.

Singapore Scout Association's National Chief Commissioner, Antong Shahrudin Rahmat will chair the APR Adults in Scouting Sub-Committee, and Scout Australia's Chief Commissioner Neville Tomkins takes on the role in the APR Governance Sub-Committee.

Dr. Ahmad Sabri Saad, Assistant National Chief Commissioner of Persekutuan Pengakap Malaysia chairs the APR Communications and Partnership Sub-Committee, and the APR Foundation Management Sub-Committee will be chaired by Dr. Chao Shou-po of the Scouts of China, who previously served as APR Scout Committee Chairman in 2012–2015.

"Continuous partnership is expected among the incoming elected officials," said APR Regional Director J. Rizal C. Pangilinan. "The organisation's volunteers and staff work hand-in-hand. Since we are moving forward towards the realisation of WOSM's Vision 2023,

we must ensure that the regional plan that will be implemented during the triennium is aligned with the WOSM Triennial Plan," Pangilinan added.

deserving and very experienced. I am happy to be elected to serve the APRSC, and, in a sense, give voice to represent 27 NSOs in our Region."

Corvera thanked delegates for their trust, pledged to unify the Region, and wants to continue what is expected of the APR Scout Committee. "I will focus on improving relationships between NSOs and serve the needs of our Region," he said.

Hynd shared similar sentiments, adding he will support every ac-

tivity and decision that can result in growing diversity and inclusiveness in Scouting. "I plan to further work in diversity and inclusion and that we make this Region one of the strongest Scout Regions in the world. I want to have a big impact for the benefit of Scouting and to work in unity and harmony," he said.

Meanwhile, Muhammad Rafiqul Islam Khan hoped he could contribute to promote and improve good governance practice among NSOs in the Region. "We need to be more united and be more sensitive

towards social impacts which help grow our Scouting Movement."

He plans "To work with APR Committee for the expansion and the growth, effectiveness of this APR. We would like to extend growth, the numbers in population, and good governance."

In a similar vein, Japan's Shimada said, "I will support the NSO and the Region to achieve the goals of NSO strategies."

WSC confers the Bronze Wolf to Binay and Nakano

In the early years of Scouting, it was a practice of the British Scouts and founder of Scouting, Lord Robert Baden Powell, to confer the Silver Wolf Award to Scout Leaders who have exhibited tremendous contribution to the Scout Movement

As the Movement progressed and widened its reach internationally, realisations came in that the Silver Wolf Award was a British Scout decoration and that the international award should have its own uniqueness and distinction. This resulted in a proposal to establish a special award. Today, we call it the Bronze Wolf Award.

After consulting with the International Committee, it was unanimously decided to create the Bronze Wolf Award. And so, it was agreed that the award shall become the only award to be bestowed by the World Scout Committee to Scout Leaders with exceptional character and who have rendered out-

standing service to the movement globally.

With recommendations of the World Honours and Awards Committee (WHAC), two outstanding Scout Leaders from the Asia-Pacific Region were conferred the Bronze Wolf Award – the honourable Jejomar C. Binay, former Vice President of the Republic of the Philippines, BSP National President for 18 years and former Chairman of the APR Scout Committee for two triennium; and Mari Nakano of the Scout Association of Japan, a former member of the World Scout Committee.

As a matter of tradition, only Bronze Wolf awardees are allowed to present the award to a new recipient. The award was presented by WHAC Kirsty Brown and former WOSM Secretary General Luc Panissod. In the 2015-2018 triennium, seven bronze wolf awards have been given out.

Youth Forum elects new YAMG members

The 9th Asia-Pacific Regional Scout Youth Forum held from 9 to 12 October in Tagaytay City was a tremendous success. The forum, attended by 125 young adult delegates and observers from 27 NSOs broke the record as the biggest in attendance in the history of the youth gathering.

A 1997 Outstanding Boy Scout of the Philippines and now a Philippine lawmaker Scott Davie S. Lanate served as keynote speaker.

The election of the Young Adult Members Group (YAMG) who will serve for three years was one of the highlights of the event. Lim Wei-Yung of Singapore Scout Association was elected to represent the YAMG to the Asia-Pacific Regional Scout Committee. Also elected to serve in five sub-committees are Chow Yik-Man Edwin of the Scout Association of Hong Kong for Programme; Kumar Ritesh Agarwal of the Bharat Scouts and Guides for Adult Support; Hassan Mohamed of the Scout Association of Maldives for Governance; Ruan, Chun-Lin Daniel of the General Association of the Scouts of China for Financial Management; and Muhammad Naufa Bin Othman of the Persekutuan Pengakap Malaysia for Communications and Partnership.

The four-day youth forum concluded with the adoption of recommendations which revolve around the main topics for discussion, namely, Youth Engagement, Impacts of Scouting and Sustainable Development Goals.

BSP National President Wendel E. Avisado, who spoke at the closing ceremony, encouraged young people to “speak out and be heard, the ‘Scouting way’ in their quest for a “much better and peaceful world.” For his part, APR Scout Committee Chairperson Paul D. Parkinson left five important words that all participating Scouts should reflect and act upon return to their respective countries: “Engagement, Involvement, Dedication, Commitment and Enthusiasm.”

Aspiring Leader Trainers set foot on historic Mt. Makiling

Assistant Leader Trainers across the Asia-Pacific Region gathered at the Philippine Scouting Centre for the Asia-Pacific Region located at the Makiling National Scout Reservation, Mt. Makiling, Los Baños, Laguna for the Asia-Pacific Regional Course for Leader Trainers (APR CLT), from 6 to 12 October.

A total of 56 Scout Leaders from 21 National Scout Organisations (NSOs) participated in the CLT, the highest training programme for aspiring leader trainers. The CLT also serves as an avenue for NSOs in the region to share experiences and best practices on advanced training methods to develop new and innovative tech-

niques for a more efficient leader training.

"This course does not only provide leader trainers an opportunity to attend the Conference, but more importantly, it offers an opportunity for us to help strengthen the capacity of your respective NSOs through training capable leader trainers like yourselves," says J. Rizal C. Pangilinan, Regional Director of the Asia-Pacific Region of World Organization of the Scout Movement (WOSM). "As we create partnerships with different NSOs, we raise the quality and the standard of training in the Asia-Pacific Region," he added. Course participants manifested their desires to learn

new training methods by accepting the challenge at the wood badge yoke. "All of you will be asked to enter the yoke, it means you need to leave everything behind," said Course Leader Leonides T. Son who also serves as the National Training Commissioner of the Boy Scouts of the Philippines.

For the first time since they were admitted to the World Organization of the Scout Movement in 2017, The Scout Association of Macau and Uniao Nacional los Escuteiros de Timor-Leste sent participants. Apart from this regional accomplishment, it is also a first for an APR CLT to accommodate participants from National

Scout Organisations from other WOSM Scout Regions, as well as observers from other Support Centres of the World Scout Bureau.

The APR CLT on Mt. Makiling will never be complete without the tour around the camp, which also served as venue of other significant international Scouting events including the 10th World Scout Jamboree in 1959 and the 1st, 12th, and 26th Asia-Pacific Regional Scout Jamborees in 1973, 1991 and 2009, respectively.
